ABOUT THE JOURNAL

The *International Journal of Studies in Education* is a flagship, high quality, peer-reviewed scholarly journal published by the Faculty of Education, University of Nigeria, Nsukka. This Journal aims to provide a cross-disciplinary forum for researchers to disseminate innovative and in-depth dialogue in the field of Education. Manuscripts, which are original and unpublished, could be submitted based on the clear understanding that no substantial part has been or will be published elsewhere, and that they will ultimately remain the copyright of the *International Journal of Studies in Education*.

The IJOSE is published twice a year. The IJOSE formerly known as International Journal of Educational Research, has retained the main pivot of this journal which is to attract and maintain international readership. The IJOSE therefore, welcomes high quality and novel articles in all the disciplines within the faculty and beyond relevant to current developments in the field of Educational research.

COPYRIGHT

Submission of research manuscript to IJOSE implies that authors have met the requirements of the editorial policy and publication ethics. Authors retain the copyright of their articles published in the journal.

REVIEW POLICY

The IJOSE Journal operates a blind review policy. Research manuscripts are reviewed by the editorial board members or other luminaries in the field.

NOTE FROM THE EDITOR-IN-CHIEF

It gives me great pleasure to introduce to you the *International Journal of Studies in Education (IJOSE)* which is the official journal of the Faculty of Education. This publication outlet offers academics an excellent venue for intellectual contributions aimed at advancing and disseminating knowledge within and outside our faculty. Contributors have the ideal chance to publish in a publication with a broad readership and significant influence. Thus, readers have a fantastic opportunity to stay up to date on the most recent developments and advances in all fields across the globe.

All manuscripts go through a thorough and constructive peer review procedure that guarantees timely publication, extensive distribution, high visibility, high citations, and a high H-index and impact. For publishing in this journal, we eagerly await the receipt of more paper contributions that reflect cutting-edge research and the highest standards of excellence.

I want to express my gratitude to the entire editorial board members and the many others that support them in facilitating this publication.

My sincere warm regards.

Prof. Joachim C. Omeje
Dean, Faculty of Education,
University of Nigeria, Nsukka
